STIPULATION TO ENTRY OF ORDER

Aureus, LLC dba Aureus Tree (Respondent) and the Office of Financial and Insurance Regulation (OFIR) stipulate to the following:

1. On or about April 20, 2012, OFIR served Respondent with a Notice of Opportunity to Show Compliance (NOSC) alleging that Respondent violated provisions of the Deferred Presentment Service Transactions Act, 2005 PA 244, MCL 487.2121 *et seq.* (Act).
2. The NOSC contained allegations that Respondent violated the Act, specifically Section 34(8) of the Act, MCL 487.2154(8), and set forth the applicable laws and penalties which could be taken against Respondent.
3. Respondent exercised its right to an opportunity to show compliance pursuant to the Michigan Administrative Procedures Act (APA), MCL 24.201 *et seq.*
4. OFIR and Respondent have conferred for purposes of resolving this matter and have agreed that it is in the parties' best interest to resolve this matter pursuant to the terms set forth below.
5. At all pertinent times, Respondent was licensed with OFIR as a deferred presentment service provider pursuant to the Act.
6. Respondent neither admits nor denies the allegations contained in the NOSC, and the parties have reviewed this matter and desire to avoid the time and expense of formal proceedings and have determined to resolve this matter pursuant to this Stipulation to Entry of Order.

7. Respondent agrees to, on each business day, conduct checks of all deferred presentment service contracts to make certain that closed transactions are timely entered into the Veritec database, and all transactions, including repayment plans, are properly reported to the Veritec database, in compliance with the Act.
8. Respondent agrees to, on each business day, conduct a review of its deferred presentment service transactions to determine if the transactions have been reported to the Veritec database, by comparing its daily transactions to the transactions that have been reported to the Veritec database.
9. Respondent agrees that it will pay to the state of Michigan, through OFIR, administrative and civil fines in the amount of \$1,000.00. Respondent further agrees to pay the fine within 30 days of the invoice date as indicated on the OFIR invoice.
10. Both parties have complied with the procedural requirements of the APA and the Act.
11. Respondent understands and agrees that this Stipulation to Entry of Order will be presented to the Senior Deputy Commissioner for approval.
12. The Senior Deputy Commissioner may, in his sole discretion, decide to accept or reject the Stipulation to Entry of Order. If the Senior Deputy Commissioner accepts the Stipulation to Entry of Order, Respondent waives the right to a hearing in this matter and consents to the entry of the Order Accepting Stipulation and Requiring Compliance and Payment of Fines. If the Senior Deputy Commissioner does not accept the Stipulation to Entry of Order, Respondent waives any objection to the Commissioner holding a formal administrative hearing and making his decision after such hearing.
13. Respondent has had an opportunity to review the Stipulation to Entry of Order and the proposed Order Accepting Stipulation and Requiring Compliance and Payment of Fines and have the same reviewed by legal counsel.
14. It is further stipulated, by and between the parties hereto, that failure to comply with the Order of the Commissioner accepting this settlement by failing to pay the administrative and civil fines as set forth above shall result in the commencement of an action to suspend (or to continue the suspension of) all licenses and registrations under the Act held by Respondent.
15. It is further stipulated, by and between the parties hereto, that in recognition of the requirement that a licensee applicant must show that it has the financial responsibility, financial condition, business experience, character, and general fitness to reasonably warrant a belief that the applicant will conduct its business lawfully and fairly, and that in so making that determination the Commissioner may review the competence, experience, integrity, and financial ability of any person who is a member, partner, executive officer, or a shareholder with 10% or more interest in the applicant, should the Respondent fail to comply with the Order of the Commissioner accepting this settlement by failing to pay the administrative and civil fines as set forth above, such failure will be taken as evidence

of a lack of financial responsibility, competence, integrity, financial ability, character and/or general fitness and result in the denial of any license or registration renewal and the denial of future applications for any licensure or registration of both Respondent and its owners until compliance is shown with the terms of this Stipulation and the Commissioner's Order.

16. It is further stipulated, by and between the parties hereto, that the amount of administrative and civil fines has been negotiated in return for the avoidance of further proceedings and certain promises and conditions, one of which is the timely payment of said administrative and civil fines. Should Respondent fail to pay the administrative and civil fines in accordance with the terms of this Stipulation and the Commissioner's Order, the parties agree that an action will commence to determine if the Respondent has, in fact, failed to pay, and, if so, Respondent agrees that the administrative and civil fines will immediately increase to the maximum amount allowed under the Act and shall be immediately due in full.
